

About Select Equities

Select Equities is an independent, full service, institutional research and dealing firm. We are committed to finding wealth creating investment opportunities for our clients. Select Equities specialises in providing research driven ideas and dealing opportunities. Our recommendations are conservative and based on long-term investment strategies. We use proprietary stock research techniques and processes. A combination of top-down and bottom-up stock research is used to try to identify exceptional investment opportunities.

We are remunerated when clients place dealing instructions with us. Instructions can be provided to us via the telephone, email, fax, or IOS. Our clearing and settlement services are supplied by E*Trade Australia Securities Limited, a wholly owned subsidiary of ANZ Banking Group Ltd. We appear in your IOS order pad under the <ETRD (IOS)> Group, normally as the following type of Account <CLIENT.SEQ>.

Select Equities institutional client services include:

- Stock research
- Dealing and execution services
- Arranging access to company management
- Providing clients with access to lines of stock in listed companies
- Providing clients with access to small cap corporate product
- IOS straight through processing (STP) functionality

We provide services to the following institutional investors:

- Large cap fund managers
- Small to mid cap fund managers
- Specialist small cap fund managers
- Hedge funds
